Mr LEONARDO Q. MONTEMAYOR, Former DA Secretary/ Board Chairman-Federation of Free Farmers *"Transform Philippine Agriculture for Food Security, Job Creation and Balanced Growth"*

Q & A

**Brainstorming for strategic actions:
for social justice and land transformation**

Guide questions:

1. What are the policy limitations that exist in our current context? What are the policies that need to be changed and how do we get them changed?
2. How do we organize and engage communities in the uplands? How do we get government support to do this?
3. How can the Government be the driver and not corporate interests? How do we strike the right relations with the Government to achieve sustainable agriculture?

1630h Synthesis and Closing Remarks

-

PEDRO WALPOLE SJ, Ph.D., Director for Research-ESSC
